Synopsis: Neighborhood investigation in vicinity of Stone Street School, Greenwood, Miss., revealed school property never used for other than school functions. W. H. GALLASPY, Greenwood School Board Member, advised he received call from Mr. BOWMAN, President of School Board, concerning request of "Meredith Marchers" to use school property to erect tent. He said he told BOWMAN to adhere to past school policy of allowing only school functions on school property. W. B. DRIBBEN, Superintendent of Greenwood, Miss., schools, advised policy of school board established between 1950 and 1955 prohibiting school property from being used by non-school functions. DRIBBEN stated he was out of town when "Meredith Marchers" requested use of Stone Street School property to pitch tent but feels refusal was correct in light of policy. J. H. LEWIS, school board member, stated he received call from Mr. BOWMAN, President of School Board, informing him of request of "Meredith Marchers" to erect tent on school property. He advised BOWMAN that no exceptions should be made, therefore he was not in favor of request.

The following investigation was conducted by SA DENNIS R. DICKSON and SA WILLIAM D. HOSKINS at Greenwood, Mississippi on July 18, 1966:

A neighborhood investigation was conducted in the area of the Stone Street Elementary School, Stone Street, Greenwood, Mississippi. All persons contacted were advised of the nature of the inquiry. All persons contacted advised that they could remember no occasions, since they have been living in that area, that the school grounds had been used for any occasions other than school related activities. Several advised that a carnival is held every year in that area, however, the carnival is held on private property and not school property, in a field located adjacent to the school property, east of the intersection of Stone Street and Avenue J.

WILLIAM H. GALLASPY, Box 887, 206 Cottage Street, Member of Greenwood School Board, was interviewed at the place of his employment, Piggly Wiggly Store, 206 Cotton Street, and furnished the following information.

During the time when the Meredith March was nearing Greenwood, Mississippi, he received a phone call from Mr. BOWMAN, President of Greenwood School Board, who asked GALLASPY as to school policy concerning the erection of tents for the marchers at the Stone Street Elementary School, Greenwood, Mississippi. GALLASPY told BOWMAN that the school board would adhere to its past policy.

GALLASPY stated that the policy of the school board is that the school grounds are to be used only for school functions. At the Greenwood and Threadgill High Schools, however, there are two exceptions to this as far as he knows. The stadiums are used for an Easter Morning Sunrise Service given by the Unitarian Church to which all are welcome to attend and the auditoriums of the schools are used for the Greenwood Chamber of Commerce Annual Banquet and a Greenwood Negro Civic Organization Annual Meeting. The grounds of the Stone Street Elementary School are used only for school functions.

The policy concerning the school grounds has always been understood and only Mr. DRIBBEN, Superintendent of Schools, would know whether or not it is on the minutes.

JAMES HOWARD LEWIS, 110 E. Wilson, President of Henderson and Baird Hardware Company and Member of the Greenwood School Board voluntarily furnished the following information:

He has been a member of the School Board since approximately 1960.

During the time that the Meredith March was nearing Greenwood, Mississippi, he received a phone call from Mr. BOWMAN, President of the Greenwood School Board, who wished to discuss school board policy as to the request by the marchers to erect tents on the grounds of the Stone Street Elementary School, Greenwood, Mississippi. Mr. LEWIS advised BOWMAN that no exception should be made to school board policy which is that all school grounds are to be used only for school functions; therefore, the request by the marchers should be turned down. Personally, he knows of no exception to this policy.

LEWIS believes the policy is on the minutes of the school board, but he cannot be certain for it may have been put there before he was a member or that particular section of the minutes may have been read at a meeting which he did not attend. The minutes are maintained at the office of Mr. DRIBBEN, Superintendent of Schools.

FEDERAL BUREAU OF INVESTIGATION

Date 7/2/661

Mr. W. B. DRIBBEN, Superintendent of Schools, Greenwood, Mississippi, voluntarily furnished the following information:

About 1950 he introduced to the Greenwood School Board a policy concerning the use of school equipment and facilities which was patterned after that used by the School District of Jackson, Mississippi. This policy was adopted by the Greenwood School Board sometime between 1950 and 1955 and was placed in the minutes.

Mr. DRIBBEN made available "Application for the Use of School Facilities and Equipment" form from which the following excerpts are taken:

"School facilities and equipment may be used only for 'educational purposes.'

"The meaning of this phrase is up to the discretion of the school board acting through the Superintendent of Schools.

"Application for use of school facilities and equipment must be filed three days in advance of the intended time of use.

"Buildings and facilities may not be used by unorganized groups without a responsible leader which is again up to the discretion of the school board.

"Buildings and facilities may not be used by religious or fraternal groups."

On 7/21/66 at Greenwood, Mississippi File # Jackson 44-1746

by SA LEE D. DORMUTH/jls Date dictated 7/21/66

Mr. DRIBBEN advised that the school board would decide what constitutes "educational purpose" after a review of the answers which are posed on the application.

Mr. DRIBBEN was not influential in the decision to refuse the request of the marchers to erect tents on the grounds of the Stone Street Elementary School since he was at that time attending a convention in Miami, Florida; however, Mr. DRIBBEN feels that the decision reached was in accord with prevailing school board policy.

STOKELY CARMICHAEL, Chariman, Student Non-Violent Coordinating Committee, was interviewed at the Greenwood, Mississippi City Jail. He furnished the following information:

On June 16, 1966, he was marching at the head of the line of the Meredith Marchers on Highway 7 several miles out from Greenwood, Mississippi. About 12:30 p.m. or 1:00 p.m., **ROBERT SMITH**, who is with the marching group and someone else, identity unrecalled, came to him advising that the police would not let them pitch their tent on the Stone Street School grounds. He told them to return to the school and pitch the tent regardless of what the police said.

About 2:00 p.m. he left the march and went to the school grounds to see how his group was progressing in setting up the tents. When he arrived at the school, **BUFF HAMMOND**, who is the Police Commissioner, and several other policemen were there. **BUFF HAMMOND** told the man who was in charge of pitching the tent not to set up the tent. **CARMICHAEL** said "nonsense" to **HAMMOND** and went to the tent and began setting it up, being assisted by **ROBERT SMITH** and **BRUCE BAINES**. **CARMICHAEL** told **HAMMOND** if they arrested him, he was going to tell the Civil Rights workers to "turn the town out." **HAMMOND** gave the order to arrest him, **SMITH** and **BAINES**. **CARMICHAEL** then told the Civil Rights workers in the area to "turn the town out."

He did not know what charge he was arrested on or what his bond was.

ROBERT LEE SMITH, campus traveler, Student Non-Violent Coordinating Committee (SNCC) was interviewed at the Greenwood City Jail.

He furnished the following information:

He had been participating in a march composed of Civil Rights workers which commenced in Memphis, Tennessee. On June 16, 1966, at approximately 1:00 or 2:00 p.m., he was with STOKELY CARMICHAEL, BRUCE BAINES, and other Civil Rights workers who were participating in the march when they went to Stone Elementary School in Greenwood to put up tents for the marchers to sleep in later that evening. They arrived at the school in an automobile and went over to the tent equipment, which was already on the school grounds. CARMICHAEL asked SMITH and others what they were waiting for and to put up the tents. The Commissioner of the Greenwood Police, an elderly, bald man stated, "If you put up the tents, you will be arrested." A Police officer stood near the Commissioner. After he, SMITH, as well as CARMICHAEL and BAINES, heard what the Commissioner said, they walked over to the tents and picked up the equipment with the purpose of erecting the tents, when the Commissioner placed the three of them under arrest.

He, SMITH, was not advised what they were arrested for but was taken to the Greenwood City Jail with CARMICHAEL and BAINES.

He is not aware of the fact that anyone received a ticket earlier that morning on the school grounds for attempting to erect any tents but he heard from some of

WISDOM F. COLEMAN, Principal, Threadgill High School, Greenwood, Mississippi, was advised of the identity of the interviewing agents and the nature of the investigation.

He furnished the following information:

He had been employed in the Greenwood, Mississippi, school system since 1951. Prior to becoming principal of Threadgill High School, he was principal of the Stone Street Elementary school for 12 years.

On Wednesday, June 15, 1966, two Negro males came to him stating they were associated with the MEREDITH marchers. They asked him for permission to set their tents up on the high school grounds. He told them that he had no authority to grant them this request, that they would have to contact Mr. DRIBBEN, the Superintendent of Schools and discuss this matter with him. COLEMAN said he contacted Mr. DRIBBEN who told him he would take the matter up with the school board.

COLEMAN stated that for many years it has been the school board's policy not to allow the use of the school grounds or its facilities for any function other than school related activities. He could not recall the Stone Street school property or any other school property in the system being used for holding carnivals, bazaars, or similar activities.

Mr. C. M. BOWMAN, partner, Bowman and Bowman Blueprints, West Park Avenue, Greenwood, Mississippi, was advised of the identities of the interviewing Agents and the nature of the investigation. He advised as follows:

He is currently the President of the Board of Trustees of the Greenwood Municipal Separate School District, Greenwood, Mississippi. He has been a member of the above school board for 12 years.

With reference to a letter dated June 16, 1966, sent by him to WISDOM F. COLEMAN, Principal, Threadgill High School, Greenwood, Mississippi, wherein he advised COLEMAN that school property should be used for school purposes and authorized school related activities and not for "Meredith Marchers" or any other similar groups, he stated this has always been the school board's policy. There may be in the minutes of the school board's meetings in the past years a resolution to this effect, however, he could not recall exactly when the above policy was established in writing.

On or about June 15, 1966, he was advised by Mr. DRIBBEN, the Superintendent of Schools, that Mr. COLEMAN had been approached by persons representing the "Meredith Marchers" requesting the use of the Threadgill High School grounds as a site for their tents and related activity. He immediately contacted the other available members of the School Board who were in town at the time and advised them of the situation. Their names were Mr. LEWIS and Mr. GALISPY. Together they reaffirmed the past policy of the school board out of which materialized the instant letter he sent to Mr. COLEMAN.

In the past, the school board has not permitted any organizations not related to school activity on school property as will be the future policy also.

June 16, 1966

W. F. Coleman, Principal
Threadgill High School
Greenwood, Mississippi

Dear Professor Coleman:

Dr. Dribben has informed the School Board of the request made to you by a representative of the so called "Meredith Marchers" that they be allowed to camp overnight on the campus of the Threadgill High School.

The School Board has always taken the position that school property should be used for school purposes and authorized school related activities. We cannot, therefore, permit the "Meredith Marchers" or any other similar group to occupy school property, and their request is therefore denied.

Sincerely yours,

C. M. Bowman, President
Board of Trustees
Greenwood Municipal Separate School District
